

# Earth Day Activity Sheet

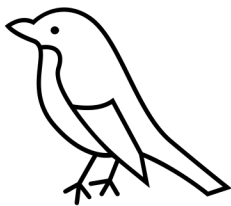

## 10 WAYS KIDS CAN HELP THE EARTH!

1. Recycle bottles and cans.
2. Take a hike with a bag and collect trash, or bring one to the beach!
3. Turn off the water when you brush your teeth.
4. Use both sides of the paper.
5. Donate toys, books, and clothes you no longer need.
6. Borrow books from the library instead of buying one.
7. Take shorter showers and shallower baths.
8. Help your parents recycle junk mail.
9. Bring bags with you when you go into a store
10. Plant trees and plants for pollinators!
